His show

Lonnie Lee is unique - one of a kind - his music style, his vocal style and energy levels are all very different to his peers. See for yourself!
 His show today, reflects his past record success in a unique, high energy presentation. It incorporates many personal favourite classic songs, and a thumpin" piano segment. His band the Leemen provide 4 part harmonies with some of the most professional rock'n'roll music you'll hear.
 In an average 3 hour show, he is on stage 80 + minutes, and they want more...
 Full concert sound, lights and FX are available when needed.

long way to the top

In the most successful all Australian show ever, Lonnie features some of his own classic hits and other hits to take audiences on an unforgettable Rock'n'Roll ride
 On the first Capital City section of the tour, critics rated him amongst the best on the show and the regional tour will be no different.
